**LOUISIANA HOME BUILDERS ASSOCIATION**

# WHY LHBA?

CONNECT.  
INVEST.  
INFLUENCE.

The Louisiana Home Builders Association is the premier business organization for building industry professionals across the state of Louisiana.

A member-driven association, LHBA boasts more than 4,500 business members who are associated with residential construction.

Partnering with LHBA affords you access and exposure to these influential business owners across all segments of the industry throughout the state.

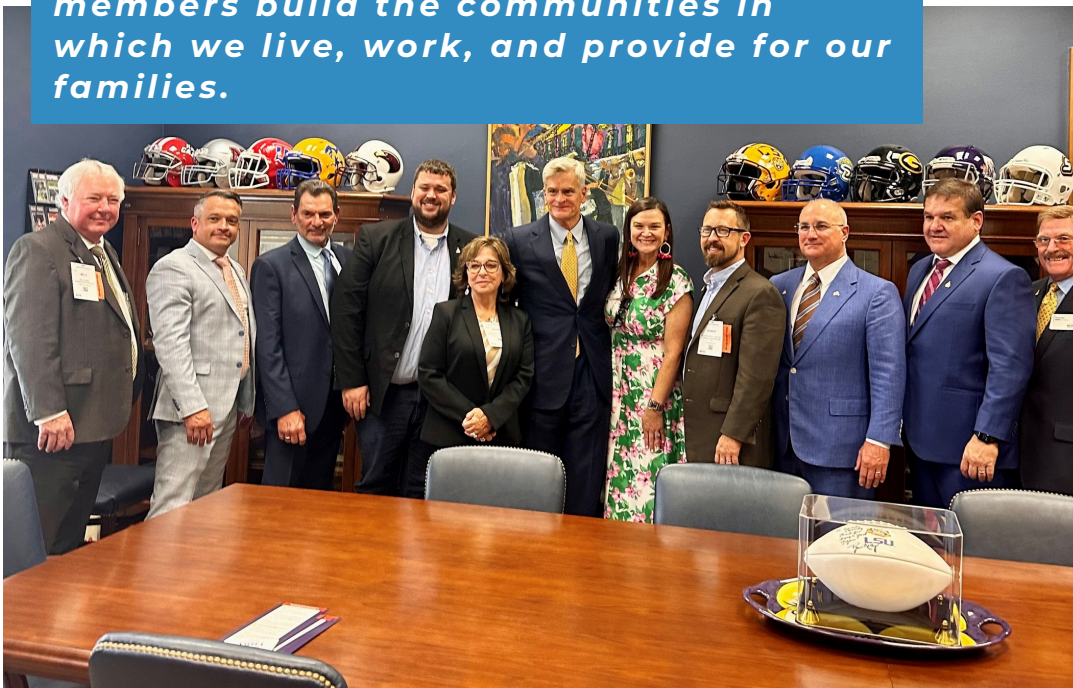

A study by the National Association of Home Builders found that the broad impact of new construction shows that building 1,000 average single-family homes generates:

- 2,970 full-time jobs
- \$162 million in wages
- \$118 million in business income
- \$111 million in taxes and revenue for state, local and federal governments.

LHBA serves to protect our members' ability to conduct business. Defeating legislation harmful to the industry and defending legislation that protects both members and consumers are our top priorities. If it affects builders, it affects us all.

Together, we can partner as investors in the housing industry to ensure the viability of the residential construction industry in the great state of Louisiana.

*The home building industry is the foundation of Louisiana's economy. Our members build the communities in which we live, work, and provide for our families.*

HOUSING = JOBS

# INDUSTRY PARTNERSHIPS

**It's all about the  
Builder-Trade partnership.**

## CONNECT.

As an Industry Partner, you'll have exclusive engagement opportunities with industry professionals and potential customers through our marketing platforms and association events.

## INVEST.

An investment as an Industry Partner is an investment in the residential construction industry, your industry, throughout the state of Louisiana. An investment as an Industry Partner is an investment in the growth of your business and the Louisiana Home Builders Association, strengthening the economic future of our great state.

## INFLUENCE.

Industry Partners not only play an intimate role in creating experiences for the members of Louisiana Home Builders Association but also provide the resources that make the Association a force for influence and development within the State of Louisiana.

# ANNUAL LEGISLATIVE CRAWFISH BOIL

LOUISIANA HOME BUILDERS ASSOCIATION

With an expected attendance of 250+ annually, the legislative crawfish boil is always a “good time!” Held at the Capitol Park Museum, it’s a tradition rich in history during which legislators and members from throughout Louisiana visit on issues vital to the success of the residential construction industry.

# The Walk-Through

We're all busy! Who has time to sit and read through E-mails in which important details are buried in paragraphs taking ten plus minutes to conclude what's really important?

Introducing...LHBA's *The Walk-Through*. Sent via E-mail each month to the general membership, each issue of the LHBA's *Monday Minute* includes timely and pertinent information to keep members informed of LHBA's efforts, programs and upcoming events...all that can be digested in only one minute!

Situate your brand before thousands of industry professionals with your website-linked company logo and establish your support for LHBA, its members and the industry!

# Welcome & "Wine"down

Join fellow members during LHBA Leadership meetings for fun and fellowship during our "Welcome & "Wine"down" events. Typically hosted during early evening hours, this event offers opportunity for you to socialize and engage with meeting attendees while enjoying snacks and spirits.

## 2025 Leadership Meeting Schedule

January 8-9 - Baton Rouge (Renaissance)

April 28-29 - Baton Rouge (Hilton Capitol Center)

September 24-25 - Baton Rouge (Renaissance)

Student Chapters

## Your investment. Their future.

The construction industry is facing a historic labor shortage which is impacting project feasibility and, in turn, housing affordability. A portion of your industry partnership will be dedicated to supporting the future employees and business owners in the residential construction industry through High School carpentry programs and NAHB Student Chapter partnerships.

LHBA remains committed, with your help, to training and educating tomorrow's leaders.
